Salinas, California, Friday, April 10, 1953

Hartnell Sends Six

Asilomar is the scene of the fifteenth semiannual California Junior College Student Government Association conference being held this week end. College of the Sequoias and other Central California junior colleges are hosting the affair along with Monterey Peninsula

Art Lawson, C.J.C.S.G.A. president from College of the Sequoias, is the general chairman of the affair and will conduct all of the general meetings. The conference officially got under way Thursday afternoon at 4:30 with a meeting of all workshop chairmen and secretaries.

Hartnell College is represented at the conference by six students and two advisors. Linda Lawrence, commissioner of social activities, is attending the social affairs workshop; Karol Klauer, commissioner of rallies and assemblies, is representing Hartnell at the workshop on rallies and assemblies; Randall Blair, men's representative, is attending the athletics workshop; and Wallace Lowry, sophomore representative, is present at the workshop on campus organizations. Miss June Handley and Mr. Jerry Girdner are attending in an advisory ca-

Dick Johnson, commissioner of public relations, and Ken Van Cleave, student body president, are acting as workshop chairmen. Johnson is leading a workshop on publications and publicity, and Van Cleave is in charge of a workshop on student government and committees. They are in charge of presenting all resolutions that arise in their workshops, to the general assembly.

The conference will adjourn to-morrow afternoon at 1:30 p.m.

CALENDAR

Tomorrow: Hartnell vs. M.P.C. in baseball and tennis, here.

Monday, April 13: Commission; golf, at San Jose Frosh.

Saturday, April 18: Spring Carnival and Dance; baseball, at Marin; tennis, at Marin; track, Hartnell Invitational Small Colleges track

Dick Johnson and Ken Van Cleave, workshop chairmen at Asilomar

Sadie's Day Successful

Sadie Hawkins' Day of March 27 was a success for the women of Hartnell College. The day was cli-maxed by a very well attended dance in the Men's Gym, which was decorated with clotheslines and trees, under which and around which couples dressed in the pop ular Dogpatch style, danced and capered.

Sadie Hawkins' Day started in 1921, and since that fateful time the men have been chased and caught by the enthusiastic and per-severing Hartnell women.

Friday morning found the Col-lege halls filled with students dressed in the very latest hill-billy style. As the gals prepared to es-cort their fellows to the dance an assembly was in order. Amid bare feet, ragged clothes, and potted trees, Marryin' Sam was busy doing his job, much to the agony of the men involved, though to the enjoyment of the crowd. The assembly featured a singer and a dancer from Salinas high school, and, of course, the all-important race was a fitting conclusion to the program.

New Lounge Matron, Rules To Be Enforced

As of Monday, April 6, the student lounge is officially under the authority of a matron hired espe-cially to keep it clean and prevent its misuse.

The lounge was removed by the college administration from the control of the student commission because of the inability of the students to keep it clean. If the condition of the lounge improves under the control of the matron she will be permanently hired to run it; if it does not, the lounge will be closed next year, stated President Lemos this week.

Henceforth the rules regarding the use of the lounge will be strictly enforced, and all persistent violators of the rules will be barred from the lounge for the remainder of the semester.

featured the music of the locally popular Ambassadors. Pictures were taken and developed at the dance for the couples who wanted a picnd, of course, the all-important ace was a fitting conclusion to the rogram.

The gay dance in the evening to the couples who wanted a picture for remembrance of the occasion. The dance climaxed the fun-filled day, and the men can now relax for another year.

Carnival To Be April 18, Dance In Gym Afterwards

Fast progress is being made toward completion of plans for the 1953 Spring Carnival, April 18, which has for its theme, "Big Top."

Plans for carnival booths are now set, with Mr. Ray Sherman, businessman holder of an honorary student body

The 1953 La Reata, Hartnell yearbook, was sent to the printers on March 30, and is expected to be finished and ready to be distributed by the first part of June.

The completion of the yearbook constitutes the culmination of the year-long labors of the nine-person staff, and the results are being eagerly awaited by those of the student body who have purchased the books.

Those students who have not yet purchased their pledge cards are are urged by the yearbook editors to do so at once, as pledge cards are still available.

cascaronis are requested to leave them at the Women's Gym. What the Draft Means to You

(The Second in a Series of Six Articles)

By J. R. INGRAM

In our last edition we discussed the mechanics of Selective Service. Now, let's take a look at how Selective Service drafts or defers students. High school students, if they request it, are always deferred until they graduate, flunk out, or reach the age of twenty, whichever happens first. For others, there are two provisions.

First, a boy called up during an academic year may ask that induction be postponed until he has finonce, however. Also, a boy who ished his academic year. If he does

so, the delay must be granted. He (Continued on Page 2)

SID DIVINIBS

By CHAZ

We have good news for you. News which you have been eagerly anticipating the last few weeks. Sidelines (by Chaz) is back. Other duties have occupied our time recently; however, realizing that the Hartnell student body has sorely missed aforementioned Sidelines, we are now allowing ample time from our busy schedule to bring you once again this invaluable serv-

Did you know that former Hartnell student Bob Roebuck is doing some fine wrestling for San Jose State this year? He won nine matches as against only one de-feat. Roebuck entered Hartnell in September, 1949, and played a lot of guard for the Panthers during his two-year stay here. San Jose State has been blessed with his presence since spring, 1951.

INTRAMURAL STUFF

We ambled out by the softball diamond the other day, our purpose being one of exploration more than anything else. Much to our delight we discovered that rumors which had drifted into our alwaysopen ears were based on fact. you want to see a sporting exhibition which is conducive to good di-gestion, trot out by the Men's Gym any noon-time.

We assure you that any wild side of San Francisco Bay are comcerning the fielding of a professional baseball team on the west

Prison Nine Again Beats

The Soledad prison baseball nine which won its first encounter with Hartnell tossers by the score of 5-1, scored another 5-1 decision when Hartnell returned there a week ago last Saturday.

The first three innings for Hartnell saw the prison go ahead with two runs in the first, one more run in the second, and two more runs in the third to round out their five runs. Hartnell's lone score came in the ninth when Dillard came to bat and blasted a home

Although Hartnell had only six hits and the prison eight, the Harts were found to be ahead in the error department, 6-0. Other statis-tics of the game found four men left on base for the Panthers, and eight men left on base for the prison nine. In earned runs the prison had two and the Panthers

Jack Brooks pitched the entire

contest for the visitors.

Hartnell played the San Jose
Frosh this week in a game too late for coverage.

Hartnell Track **Squad Busy With Practice Meets**

The Hartnell College track team, under the tutelage of Dick Voris, is keeping itself rather occupied. While preparing for the more important meets in the future, the thinclads have been enjoying a few practice affairs in the meantime.

TRIP TO VISALIA

For instance, they travelled to Vi salia on Saturday, March 28, to compete with the College of Se-quoias track men. Primarily because they were handicapped by lack of depth, all but eight men having to work, the Panthers came home on the short end of the final score. Taylor Burton won both weight events, Irv Verret copped the pole vault, and Bob Larson took first-place honors in the high jump for the visitors.

TODAY IN SAN JOSE

Today finds the trackmen visiting San Jose in a triangular con-test pitting Menlo, San Jose Frosh, and Hartnell against each other. Thus far, the Panthers seem stronger in the field events than in the track division. Coach Voris expressed confidence, earlier this week that he expects Hartnell to make a very respectable show-ing in the pole vault, high jump, shotput, discus, and in the distance races. He added that the entire track squad is making the trip to San Jose today, and he visualizes Hartnell coming home the victor.

Win the race, bag the

trophy, and dunk

Harts Open League Play Here Tomorrow

Coach Jess Regli's baseball team entertains the Monterey Peninsula College Lobos tomorrow in the first league games of the season for both clubs. As is the case in all of Hartof the season for both clubs. As is the case in all of Hartnell's conference contests, a doubleheader is scheduled, the first game beginning at 10:30 in the morning.

Regli announced early this week that he plans to use southpaw Chuck Dillard and righthander Jack Brooks on the

mound, each starting one game. Others most likely to see action are Ray Shields, catcher; Morris Boutte, first base; Tex Grier, second; Glen Moore, third; Tom Klingensmith, shortstop; and Arlin Connor, Dick Herman, Tony Teresa, or Richard Adams in the outfield, and Bill Smith, second, first or pitcher. The Panthers' other conference clashes are: Saturday, April 18, at Marin; Saturday, April 25, at Menlo; and Saturday, May 2, Contra Costa, here.

TENNIS MEN ALSO IN ACT

Not to be outdone by the horsehiders, Coach Darwin Peavy's tennis squad also hosts M.P.C. on the Hartnell courts tomorrow. This match will be the first conference one for both colleges

The tennis team plays its league matches with the same school that the baseball boys play and at the same time; therefore, the conference tennis schedule is the same as the baseball schedule. All league matches consist of five singles

and two doubles contests, according to Peavy.

Bob Monroe, Warren Tibbs, Troy George, and Rudy
Sun will play; and Marty Fourcade, Ray Bloyed, and Wayne
Crook competed for the fifth position this week. Play begins sharply at 1:30.

DRAFT . . .

(Continued From Page 1)

starts a full-time college course before being called up can try for a He can get an application blank the intention is to grant only a from his local board to take the postponement. When the student Selective Service College Qualifica-tion Test. It's being given each fall and spring, and measures not gen-eral intelligence or information but his capacity to learn and apply what he learns. The results of the test are sent to the local board. The board can then defer the student if he has achieved a certain score, OR if he maintains a certain standing in his class. The exact score and class standing re-quired depend on how far along the student is in his college career.

Moreover, let's not forget that this whole setup can change swiftly. Therefore, do not be backward in coming forward and check up frequently with your school or draft officials. The local board decides officials. The local board decides on its own whether to grant or deny deferment. It can base its decisions on either standard it

chooses, test score or grades. It can, if it chooses, ignore both and refuse deferment even when standards have been met, subject however, to the usual rights of apsecond type of student deferment. peal. Note, and remember, that graduates, he is expected to make good on the deferments given him and put in his time in service. He remains eligible for induction, in fact, until he's thirty-five. A stu-dent can also gain deferment by being accepted for college mili-tary training. Members of college R.O.T.C. units and the equivalent are deferred, but they are in service and go on active duty when they graduate. In our next edition, we shall offer a few questions and answers regarding the advantages and disadvantages of enlisting now or later, and what your decision may entail.
